2019 VICTORIAN/TASMANIAN QUALITY IN DIABETES CARE MEETING

Dear Endocrinology Colleagues (adult and paediatric)

You are invited to the 2019 QIDC meeting which will be held on Saturday the 6th July at the Pullman Hotel starting at 10.00am for an informative day on evidence-based care of clinical issues in diabetes.

The presentations are:

- **Dr Amy Harding (Melbourne Health)**
  Prolonging The Honeymoon: Ethnic Differences In Type 1 Diabetes.
- **Dr Dilan Seneviratne Epa (St Vincent's Hospital)**
  Managing hyperglycaemic emergencies – To be, or not be glucocentric?
- **Dr Gabby Atlas (Monash Health)**
  Use of Continuous Subcutaneous Insulin Infusion for Management of Delayed Hypersensitivity Reaction to Insulin: A Review of Insulin Allergy and Management.
- **Dr Kate Flentje (Barwon Health)**
  Use of Sodium Glucose Cotransporter Inhibitors in Type 1 Diabetes: Risk of Diabetic Ketoacidosis, a case study and review of the literature.
- **Dr Jessica Disler (Bendigo Health)**
  Insulin resistance in type 1 diabetes mellitus – mechanisms and treatment strategies.
- **Dr Shan Balachandran (Alfred Health)**
  MODY: under-diagnosed and under-appreciated

Please RSVP as soon as possible to Esther Briganti on emb@me.com
